

Member Marketplace

The Harrisburg Regional Chamber & CREDC is proud to introduce a new **FREE** service for its members that will increase publicity, generate additional sales, and encourage member relationships. **The Member Marketplace** is a web-based service that allows any Chamber member business, in good standing, to post coupons or promotional discounts on the Chamber website.

This service is a great way to save money on the products and services you use most frequently from quality Chamber member companies!

To participate, please forward your promotional discount or coupon in an 8 $\frac{1}{2}$ "x11" PDF format to Nicole Keiner at nkeiner@hbgrc.org, by the 15th of the month to be posted the following month. Each coupon will only be posted for 30 days. It is the company's responsibility to send a new coupon each month.
